The present proposal practically amounts to a request for permission to waive the Contributions generally
The Go of 26th Dec para 5, is quite clear as to what the Dc has to do. He has to examine the merits of each particular case & pass orders -
A perusal of the Dc's letter shows that some of the works under reference come under the category as "no other works could be usefully started either on account of est. limits not being ready or that previous sanction was necessary". These do not seem to be the cases contemplated by para 5 of the Go of 26th Dec 23

No. D. 22 of 23-24.

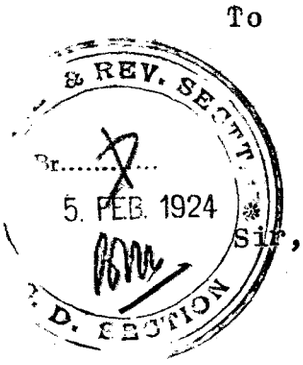
Office of the Revenue Commissioner in Mysore,
Bangalore. the 2nd February 1924.

From

K. Chandy, Esquire, B.A.,
Revenue Commissioner in Mysore.

To

The secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.



Sir,

I have the honour to forward herewith copy of letter No. H.C.107 dated the 30th January 1924 from the Deputy Commissioner, Kolar District, requesting me to sanction the waiving of contribution on Village Improvement Works that have already been started in his District and to state that I have no generalpowers of sanction for waiving such contributions as paragraph 5 of Government Order No.49-63/D. dated the 26th December 1923 authorises the Revenue Commissioner to relax the rules only in extreme cases where people are unable to pay their share of contribution and no other suitable employment can be found for them.

2. The Deputy Commissioner reports that the Village Improvement works in question had to be taken up to give immediate relief in the localities where no other suitable works could be readily started and adds that the wages paid for these works were much below the scheduled rates ranging as they did from 3 to 4 annas only for an adult cooly and that therefore the levy of contribution is sure to hit hard upon the poorer classes. No information has been furnished by the Deputy Commissioner in his letter as to the total amount of contribution that has to be waived, but from the Financial Statement received with the latest Season Report for the District for the week ending 24th January 1924, it is seen that 72 Village Improvement Works costing Rs.9,528/- have been sanctioned so far and the amount of contribution that will have to be waived comes to Rs.4,764/-. if half is treated as Govt grant.

In the circumstances explained, I request you to be so good

good as to obtain the sanction of Government for waiving the contribution in question.

I have the honour to be,

Sir,

Your most obedient servant,

K Mundy

Revenue Commissioner.

Copy of letter No. H.C.107 of 23-24 dated the 30th January 1924 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to para 5 of Government order No.355-414-D. of the 25th January 1924 in the matter of waiving contribution on Village Improvement Works, I have the honour to state that almost all the taluks in the District may be classed as affected and that the levy of contribution will hit hard upon the poorer classes. In all cases, the Village Improvement Works have been taken up to give immediate relief in the localities where no other suitable works could be readily started either on account of estimates not being ready or that previous sanction was necessary etc., and in no case was the requisite contribution from the people forthcoming or could be expected. Under these circumstances, I request that you will formally sanction the waiving of contribution on Village Improvement Works that have already been started. The wages paid for these works have been 3 to 4 annas for an adult cooly and therefore much below the scheduled rates. This is an additional reason why the contributions should be waived. I further request that, if you see no objection, I may kindly be authorised to waive contribution in really deserving cases.
